

How to Make Estimated Payments On-line

If you file as Married Filing Jointly please
use the information for the first spouse
listed on the tax return

IRS

[Click here](#) to make a payment. You can either click Direct Pay and pay with a checking/savings account (free), or click Pay Now by Card or Digital Wallet and pay with a debit/credit card (for a fee). Then click Make A Payment on the next screen. The following screen will have drop down choices. You want it to look like this:

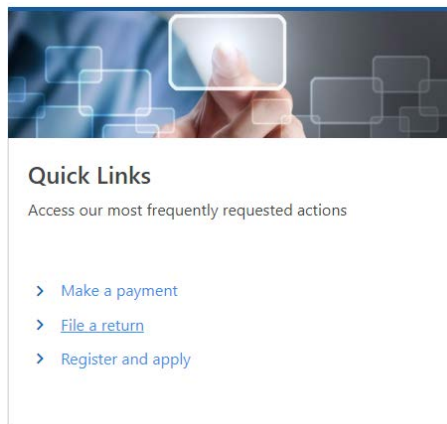

Reason for Payment	?
Estimated Tax	▼
Apply Payment To	?
1040ES (for 1040, 1040A, 1040EZ)	▼
Tax Period for Payment	?
2024	▼

CONTINUE >

You will then be asked to confirm your identity and then proceed to make the payment

Oregon

[Click here](#) to make a payment. You do not need to create an account to pay! Under the Quick Links section click on the Make a payment option:

You can click Pay now with checking or savings (free) or Pay now with a credit or debit card (for a fee).

You will then enter your personal information and click Next.

You will then be asked if you have a media voucher. Click no and then click Next.

The next screen will have a drop down menu. You want it to look like this:

Account Information

Please provide proper account information to help direct the payment correctly.

The **account type** is the tax program you are attempting to pay.

Account type Personal Income Tax 

Payment type Estimated Payment 

Payment applied to your estimated tax liability.

Filing frequency Annual - Has a requirement to file 

The **tax year** will direct the payment to the appropriate tax debt within our system.

Tax year 2024

You will enter your bank account information on the next page.
