

How to Make Online Tax Payments with your Checking/Savings Account

Please note that we do not have instructions for paying online with a debit or credit card. There are several different processors that charge a fee to use your card. You can find this information on the [IRS](#) or [Oregon](#) websites. Paying with a checking or savings account is free.

How to Pay the IRS Online

[Click here to go to the IRS payment system.](#) You do not need to create an account or log in to pay!

Select the Pay Now with Direct Pay option.

Pay Now

You'll need to confirm your identity before making a payment using pay now options. Make a payment today, or schedule a payment, without signing up for an IRS Online Account. Pay from your bank account, your Debit or Credit Card, or even with digital wallet.

Pay from Your Bank Account

For individuals only. No registration required. No fees from IRS. Schedule payments up to a year in advance.

Click on Make a Payment.

Use this secure service to pay your taxes for **Form 1040 series, estimated taxes** or [other associated forms](#) directly from your checking or savings account at no cost to you.

You can easily keep track of your payment by signing up for email notifications about your tax payment, each time you use IRS Direct Pay.

- Email notification will contain the confirmation number you receive at the end of a payment transaction.
- The IRS continues to remind taxpayers to watch out for [email schemes](#). You will only receive an email from IRS Direct Pay if you've requested the service

If you have already made a payment through Direct Pay, you can use your confirmation number to access the Look Up a Payment feature. You can also modify or cancel a scheduled payment until two business days before the payment date.

You can also view your payment history by accessing your online account with the IRS.
